Thornbury Active Lifestyle Centre hosts Kidz to Adultz Wales & West

One of the UK's largest exhibitions dedicated to children and young adults with disabilities has been held at the exhibition hall within Thornbury Active Lifestyle Centre.

The 'Kidz to Adultz Wales & West' event, which has been organised by charity Disabled Living since 2001, is one of five exhibitions to be held annually across the UK and is well-attended by not only those with disabilities, but their parents, carers and the professionals who support and work with them too.

Over 100 exhibitors were on-hand on Thursday 5 July to welcome visitors, offering advice and information across a range of topics including everything from funding and education to holidays and accessible equipment.

In addition to the exhibition, parents and healthcare professionals were also able to gain credits towards their CPD portfolio by attending one or more of the free seminars taking place. The seminars featured a wide range of speakers, who were on hand to offer advice to those with questions throughout the day.

Luke Newman, Centre Manager at Thornbury Active Lifestyle Centre, said: "As a not-for-profit organisation we provide a diverse range of events that support the interests and needs of the local community. We were thrilled to host the Kidz to Adultz event and hope that everyone enjoyed the variety of stalls and seminars on offer at the exhibition. We hope the Kidz to Adultz event returns to Thornbury and to our Centre again soon."

Entry to the regional Kidz to Adultz events is free on a first come, first served basis and children are always welcome. For further details about the events, please call 0161 607 8200 or alternatively email: info@disabledliving.co.uk
